

Tools & Equipment
Designed by Mechanics for Mechanics

Lavatory Service Cart

Designed for Cleaner Use and Lower Maintenance Costs

Design Features

- Offers Compact Low Profile Design for low clearance around aircraft
- Fits through a standard hangar bathroom door
- Prevents dripping, odor and damage with customized, secured, sealed placement of hoses
- Drains off hose cleanly before disconnecting with Fill Line Bleed Port
- Maneuvers easily with zero turning radius
- Locks front wheels by lifting towbar to upright positions
- Uses standardized parts for low maintenance costs
- Has pump assist siphon drain on waste tank

Organized Hose Storage
