Oxygen Fill Adapter

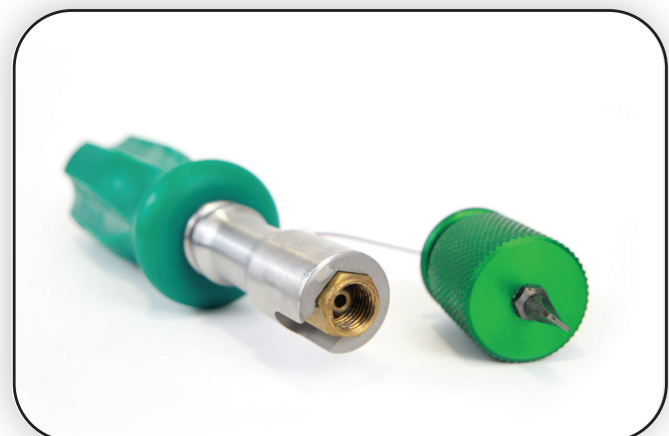

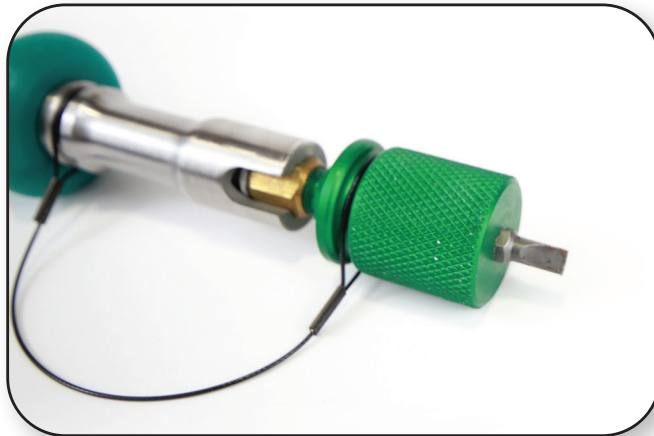

3 Tools in 1 - For all your O2 Service Needs

This unique 3 in 1 tool design allows you to use one tool for all your oxygen service needs. The Oxygen Fill Adapter can help you prevent potential O2 contamination. The large diameter handle also allows you the ability to hand torque without the use of a wrench, minimizing the risk of over tightening. This tool is perfect for a "Fly Away" tool kit.

Design Features

- Functions as a fill port adapter, safety cap wrench and screwdriver
- Prevents service port nut stripping
- Assures tight seal before servicing oxygen
- Choose from brass or stainless seat nut
- P/N: OFA

Lifetime exchange warranty for nominal fee*
